JINUKA WEERASINGHE

Software Engineer Trainee

📞 +94 77 193 5158   ✉ sethjinuka@gmail.com   🌐 Personal Portfolio   📍 Wijerama,Colombo

EDUCATION

BsC(Hons) Computer Science (Reading)   Expected 2026

Sri Lanka Institute of Information Technology

CGPA   3.14 / 4.0

GCE Advanced Level Physical Science (Maths Stream)   2022/2023

R/Sivali Central College

Index No : 3316904

PROJECTS

eX Bank Management App   2025-04-15

https://github.com/Jixlye123/Bank-App

Developed a secure user-friendly banking solution that enables seamless account management, real-time transactions etc.
(SpringBoot, Html, SQL Server 8, CSS)

LeadBot - Ai Chatbot   2025-02-17

https://github.com/Jixlye123/aiChat

A cutting-edge Ai chatbot designed to enhance user interaction using NLPs, processes secure authentications

(React.js, Node.js, MongoDB, Express.js, Gemini API, JWT)

BookFinder Library App   2025-01-27

https://github.com/Jixlye123/Randoli

Developed a application to efficiently manage and retrieve books through a RESTful API

(Golang, Docker, Kubernetes)

UEFA Champions Predictor   2025-03-25

https://github.com/Jixlye123/uefaPredictor

A machine learning project designed to predict the outcome of UEFA football matches using previous statistical data. (model's accuracy was 68.92%)

(Python, ScilKit-learn, Pandas)

SUMMARY

A 23-year-old software engineering student with 2+ years of experience in full-stack development and AI integration. Skilled in building and deploying web applications for 200+ active users. Proficient in React.js, Java, Express, Python, PHP (Laravel), Golang, Docker, Kubernetes, and cloud platforms (AWS, GCP). Experienced with databases like MySQL, MongoDB, and PostgreSQL. Seeking a software engineering internship to apply expertise in developing secure, high-performance applications.

SKILLS

- **OOP**
- **DSA**
- **Java**
- **React.js**
- **Express.js**
- **Python**
- **Springboot**
- **MySQL**
- **MongoDB**
- **PostgreSQL**
- **PHP**
- **Git**
- **Docker**
- **Kubernetes**
- **AWS**
- **CI / CD Pipelines**
- **TypeScript**
